## **Our Ambitions Are High, and Our Dreams Are Infinite. Help Us Reach Them.**

More than a cultural mission, we are committed to showcasing new perspectives, placing diversity of ideas at the core of the creation process, and bringing francophone culture to Toronto through excellence and innovation. Your support is essential and allows us to continue to inspire young and old alike through the magic of theatre and to play a significant role in the learning and understanding of the French language among young people. Our works, recognized across Canada, raise the profile of Ontario's francophone artists and invigorate the cultural vitality of our community nationwide.
